

Once upon a year

retrospect
1979

Once upon a year ...

Petaluma, California

Once upon a year in the land of the green and gold,

In the kingdom of the big house, the gauchos reigned supreme.

Sending knights in shining helmets and pads to defend the realm of green.

Maidens fair battle on the court defending the gauchos spirit in sport.

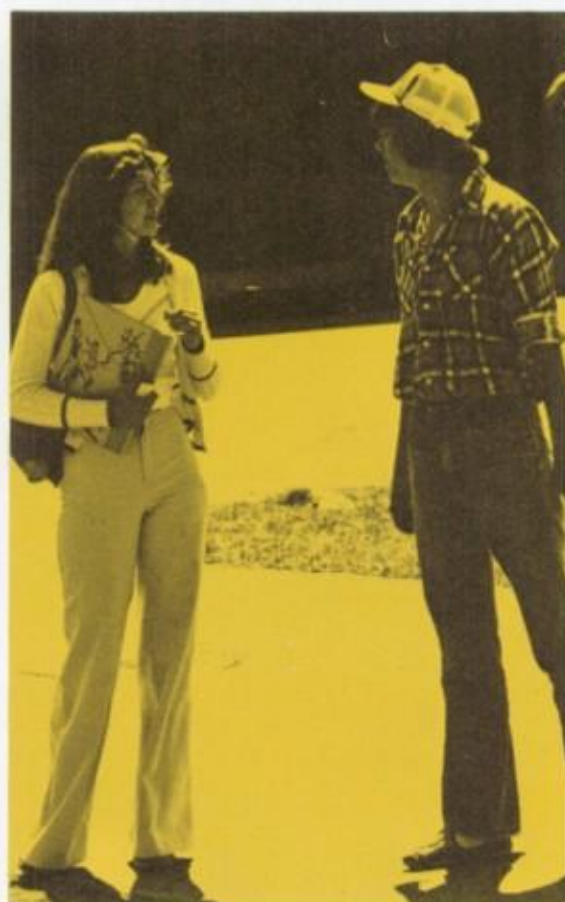

*Yes, the people were happy, all laughing
and frolicing in fun, enjoying this merriment in the land of the golden sun.*

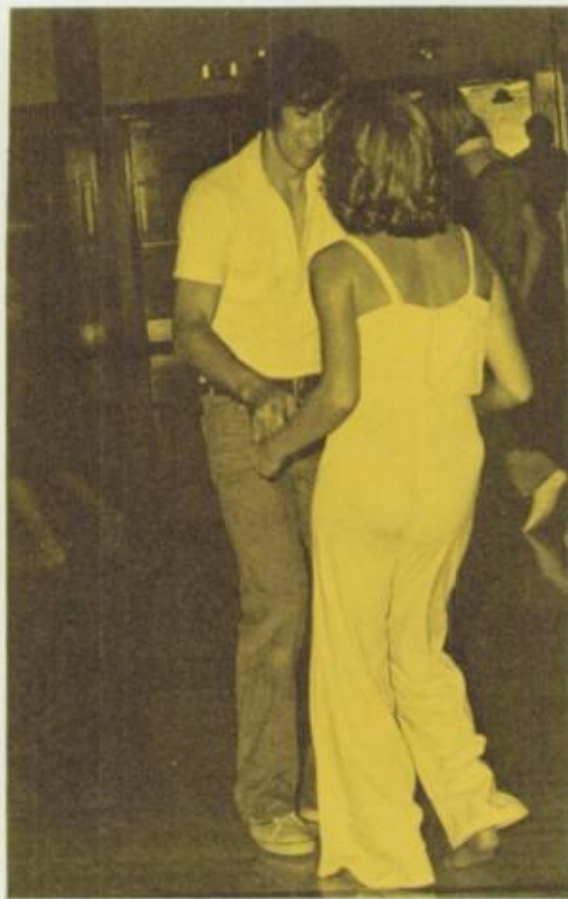

*Of course the people had to listen to the wisemen and their teachings,
learning the knowledge of the land, for their future years still at hand.*

Stuart A. Tyler

And The Nobles Of The Land Were . . .

Kings And Queens . . .

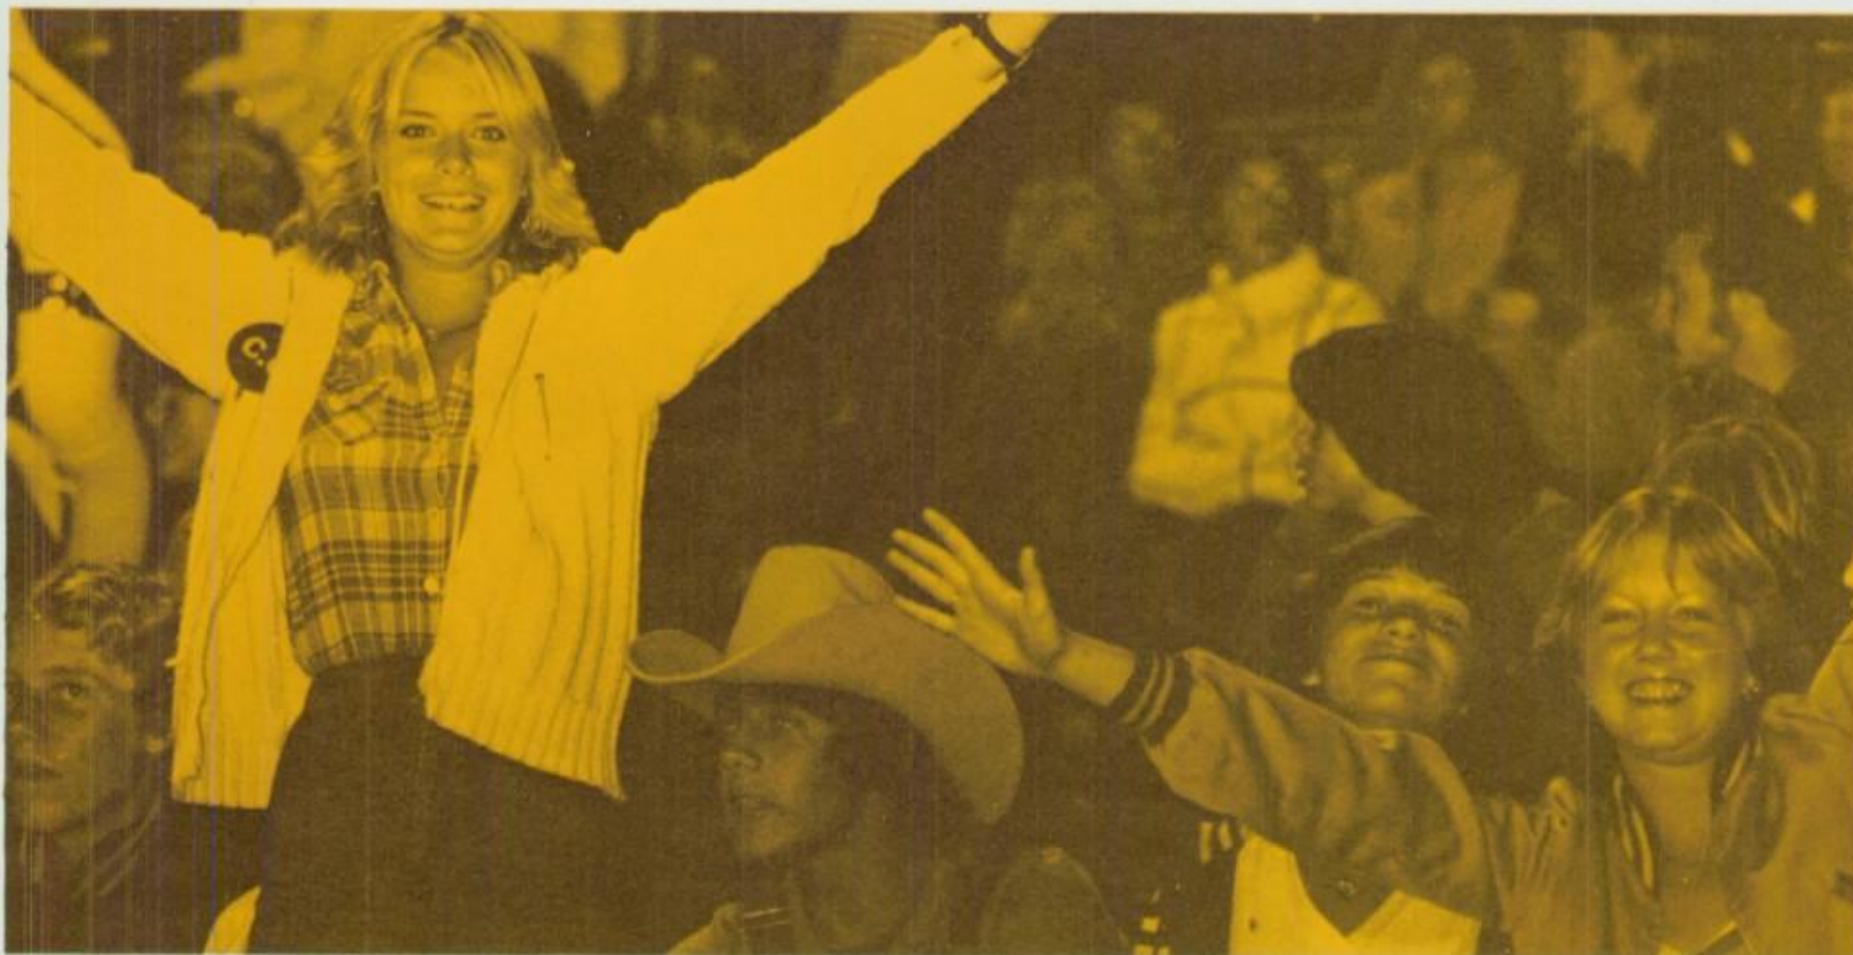

Princes And Princesses . . .

Dukes and Duchesses . . .

Lords And Ladies.

The Kingdom

Realm of the Gauchos

Once upon a time, in a realm, there was an empty space, where only but cows did graze. The people of the town, with the help of the wise, did fill this space. Erected up from the tough soil, came mighty rounded towers. Men and women of high position proclaimed this a learning place.

Lords and Ladies did arrive at first and became lost in this now kingdom of great expanse. Yet behold! For scorcerers and scoreresses did guide the lost through the tangled paths and mazed rooms. Taking matters in hand, the mentors then taught them the ways and wonders of the world. As time passed in seasons, the rain drenched their clothes, and the wind beat down upon their backs. Rays of bright sunlight shone upon them and betrayed them no longer as boys and girls but as Dukes and Duchesses of the realm.

The nobles of this land were filled with awe as they gazed at the grteat murals painted upon the walls by students of the fine arts. Merry bands and minstrels played and sang in harmony, while dazzling maidens strolled about and young muscled knights displayed great chivilary.

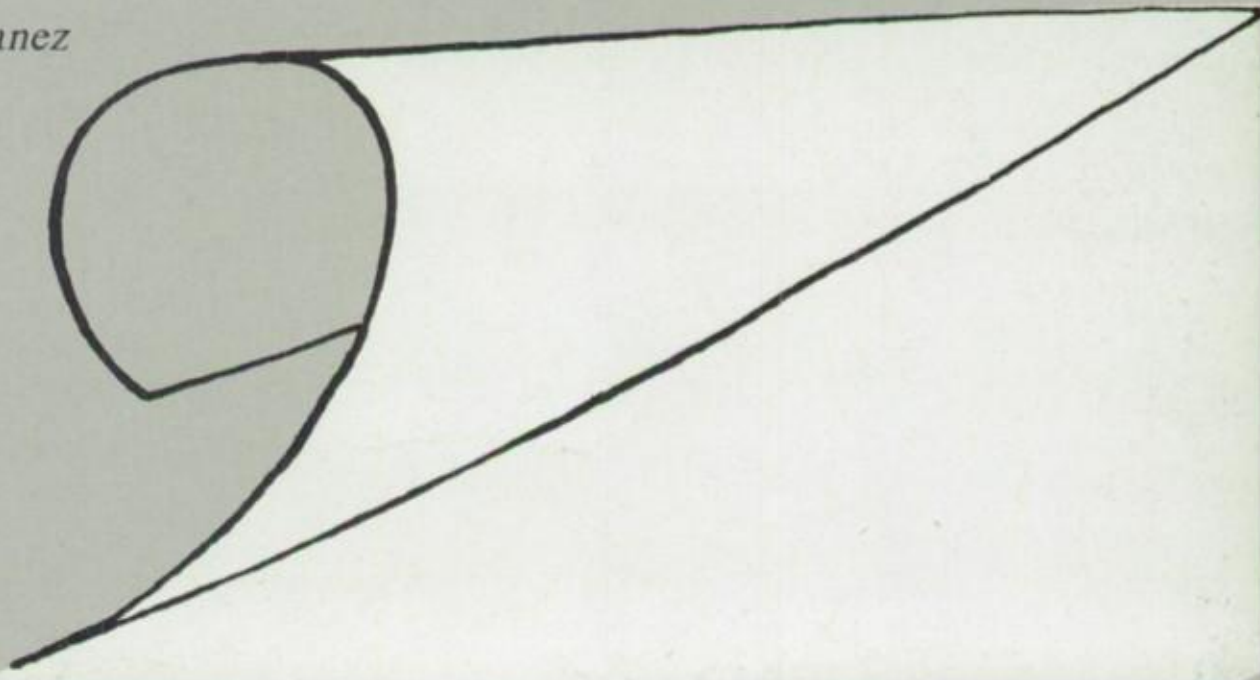

Upon the gates a perennial pounding was heard, along with angry threats and shouts. From within they did look out and found their kingdom surrounded by the Purple and White fury of their rivals. It took not only physical strength though to rid these warriors from the gates. It was the great sparkling spirit of Green and Gold which the nobles voiced in unity, that caused the opponents to leave. Their purple and whiteness quickly faded to dullness and the defeated army stumbled back to their old, aging castle.

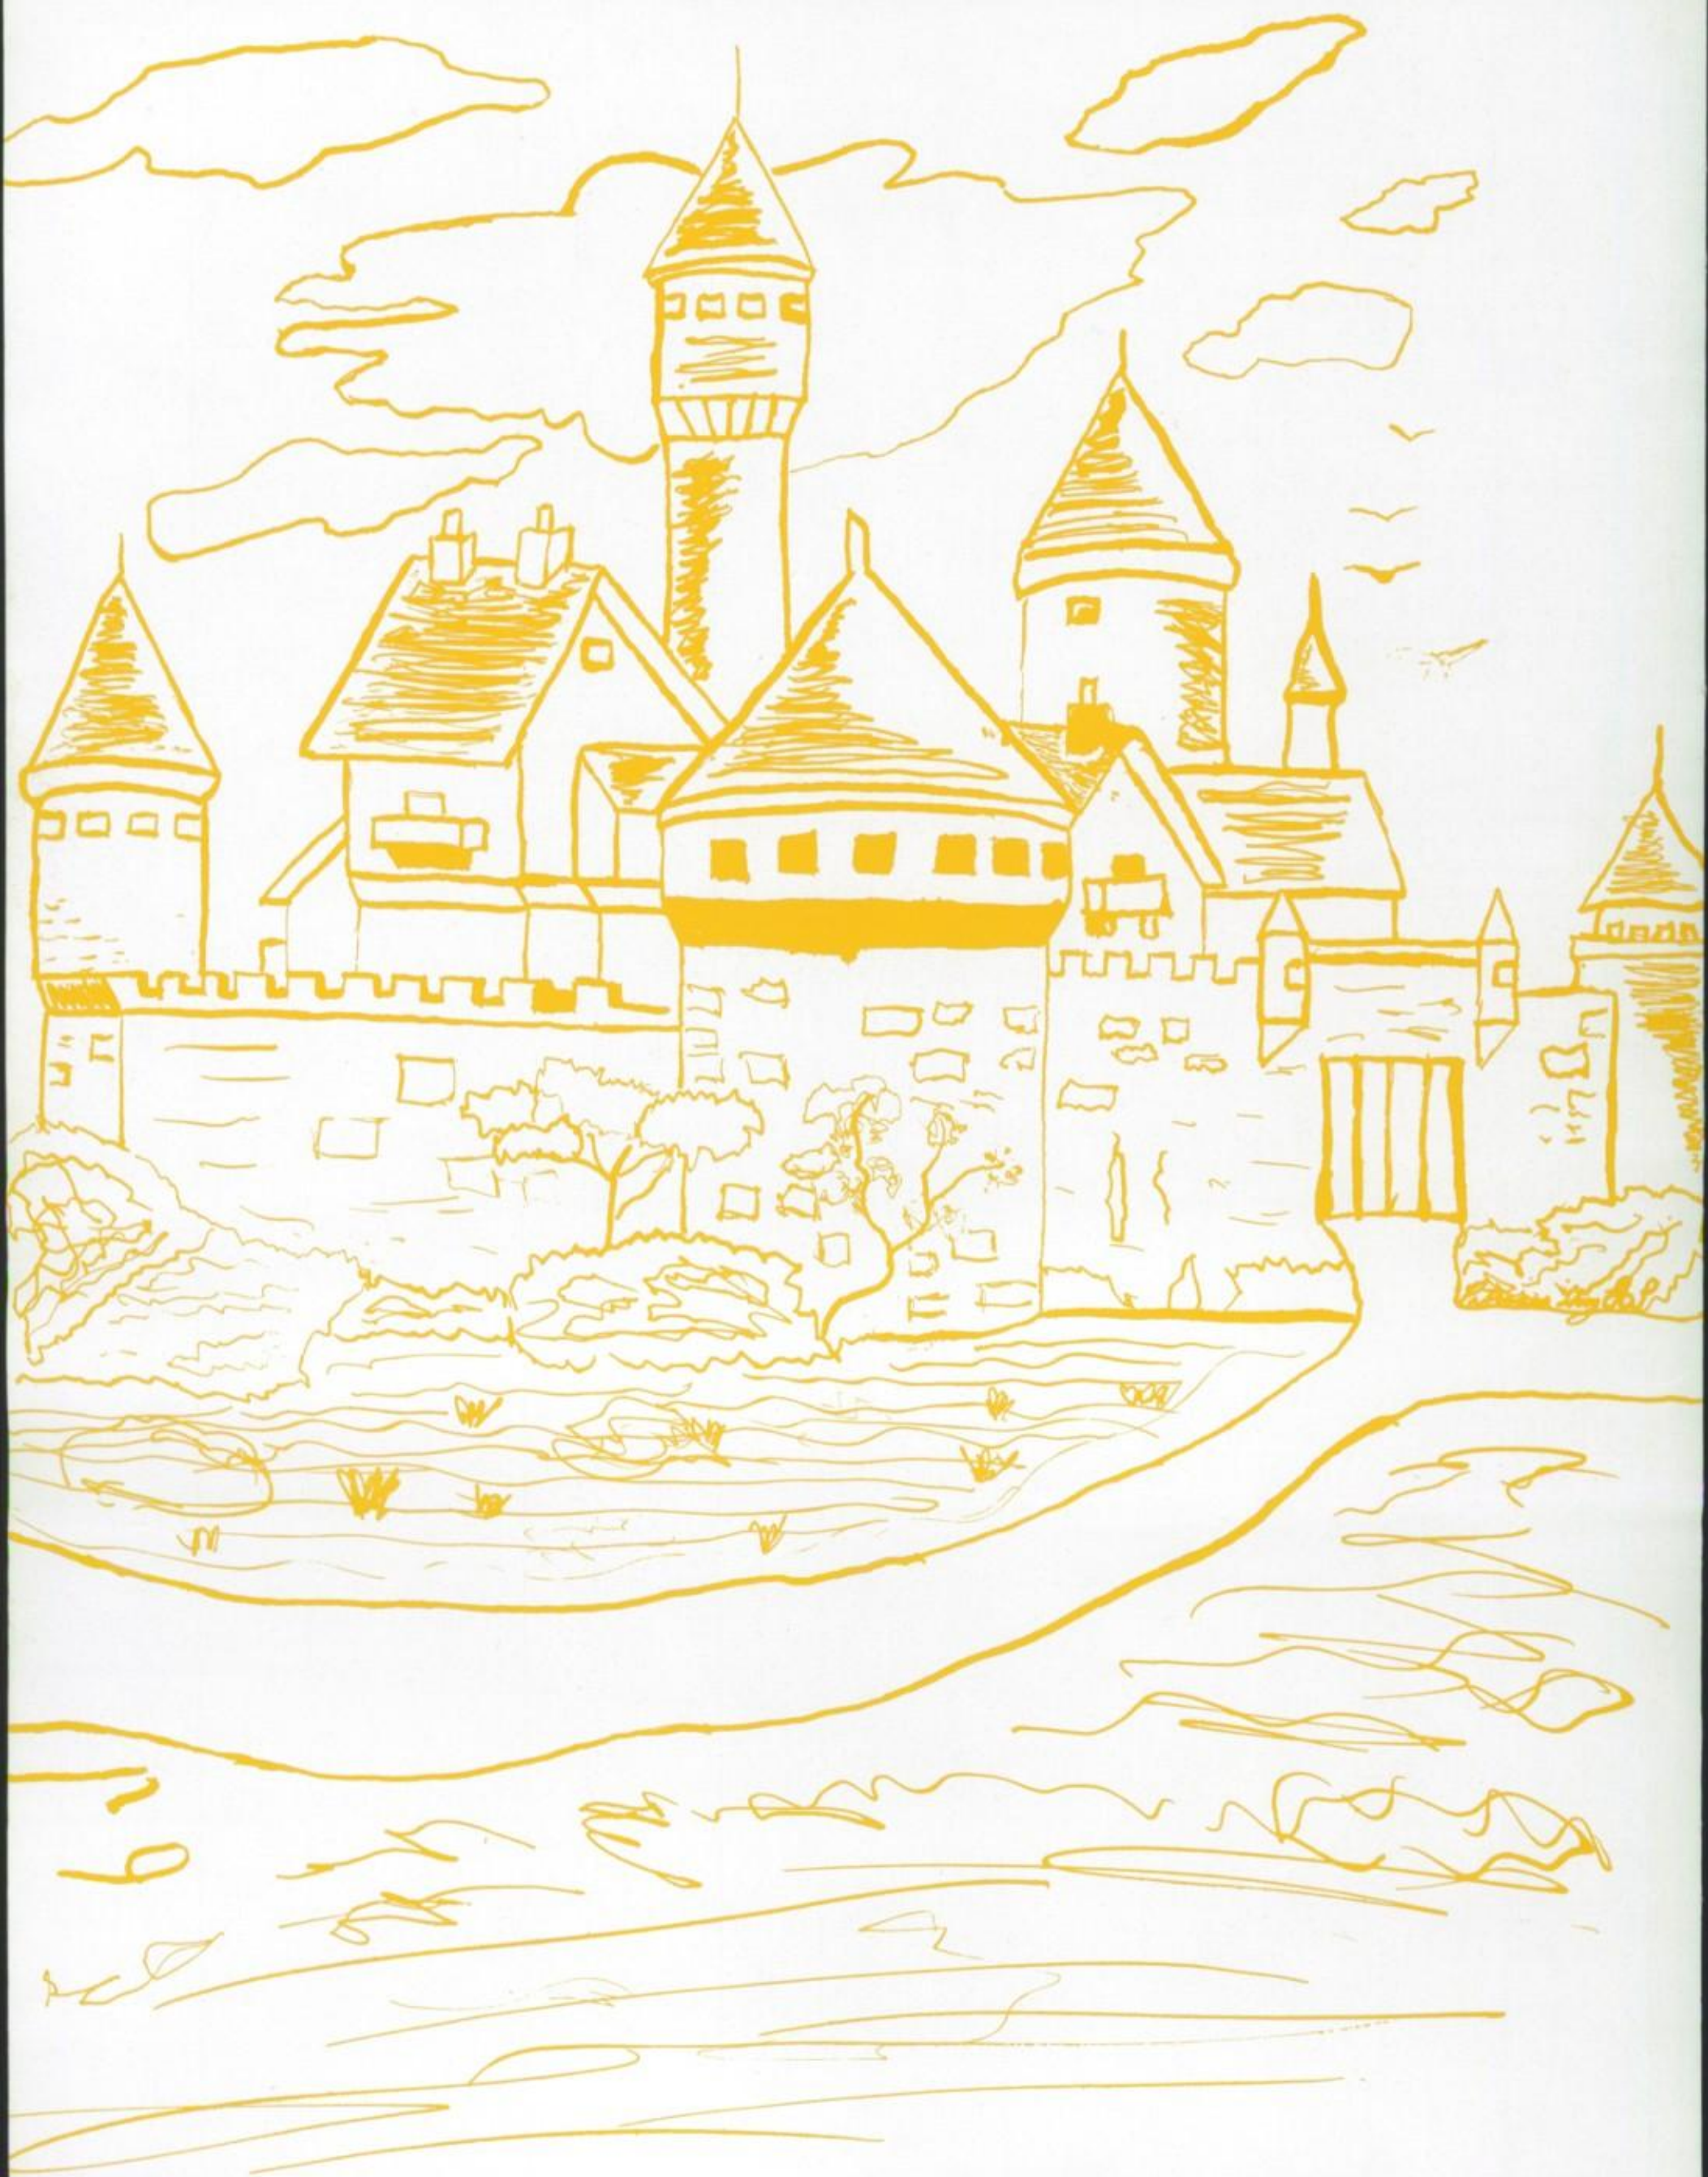

Suddenly, as it had happened before Dukes and Duchesses were transformed into Princes and Princesses of cleverness and great might. Having reached this level, tests of skills and knowledge were set upon them.

As time went forward they climbed the high towers till they reached the very tallest of heights in the kingdom. Then at last they were crowned Kings and Queens. As they looked about they could see the whole of the realm and they viewed all the realms which are contained in this world. Some were filled with fear, some did cry with sorrow, yet others did laugh with joy; but all did set their goals and left to meet this challenge.

Though they have left, their names and deeds shall remain in this Green and Golden book for eternity.

There are two functions which our football program should serve in order to benefit those people participating in the sport:

- 1) It should be fun.*
- 2) It should contribute in a most worthwhile manner to the education of the participants. Winning football certainly contributes greatly to the amount of enjoyment that a participant derives from the game. The player who learns how to prepare himself sufficiently to win in this highly competitive sport has learned much in terms of group unity, self-discipline, courage, and application of effort. For these reasons, preparation to win is a vital part of the approach to the football program at Casa Grande. The dignity of all our players is preserved. The 3rd stringer is just as important a person as the 1st stringer. This does not mean that equal technical attention need be given to the 3rd string and 1st string, though. It is part of being a man to learn how to "Ride the Bench" if there are people of greater ability playing. All players who display the courage, attitude, and selflessness necessary to contribute to the team's success received the respect of coaches and players.*

The football players learned many things this season. In addition to learning the obvious things like the fundamentals and skills of football, they learned about some other things that will hopefully be more lasting. Things like: being responsible for their actions; respect for authority; pride in oneself and others; the value of self discipline; to take orders and carry them out to the best of their ability; how to control their tempers; loyalty and self sacrifice; sportsmanship and fair play; the desire to excell and to be the best you can possible be; to never underestimate an opponent nor overestimate yourself; and to never give up.

This year's Gaucho Soccer Team was loaded with talent. The Team developed into a ball-control team which could keep possession of the ball for minutes at a time and continually frustrated their opponents.

An outstanding group of 12 Seniors led the Casa Booters in an unbeaten streak that seemed as if it would never end.

The season had many highlights. The 5-0 win in the Montgomery Tournament Finals and the perfect 8-0 Sonoma County League Record were chief among them.

The team played well in the first round of the Tournament of Champions, beating Acalanes 4-1. In the semi-finals they squeaked by Tamalpais 1-0. The unbeaten string was at 34 games and the season record 21-0-1 going into the finals against Montgomery, whom we had beaten twice. They played a second half and beat us 4-1.

It was a great season in which we all learned to work together for the common good. All season we learned how to win with humility and finally, in the end, we learned how to accept defeat with grace.

Soccer at Casa Grande has come to mean something special. When soccer people in Northern California hear Casa's name they relate it with the best in high school soccer.

This year's Varsity Volleyball team had a foundation built of players with many years of volleyball experience. Five seniors composed the starting line-up for Casa Grande High School. Carol Potts was the first pick of the S.C.L. coaches to be on the S.C.L. All-League team. Sonya Van Ommeren made Most Valuable Setter on Honorable Mention. At our sports banquet Carol Potts was chosen Most Valuable Offensively and Most Valuable Defensively went to Dina Silvestri.

Our league record was 7-3, which tied us for a league pennant for the third year in a row. Our highlight came early in the season when we victoriously overcame Amador High School for first place in the Mission San Rafael Volleyball Tournament. (Amador was this year's North Coast Section Champions)

I enjoyed coaching this year's team very much. It was an exciting season. On behalf of myself and the players of the team we wish to give special thanks and appreciation to Hiro Nishikawa for his help and dedication to the team. Best of luck to Hiro and our graduating volleyball players.

Coach Iacopi

This year's 1978-79 Casa Grande Varsity Basketball team could possibly be the best basketball team to play at Casa Grande. It is made up of eight seniors, three juniors, and one starting sophomore. This year's team lost only one senior through graduation last year. It is a very experienced team and could possibly win the Sonoma County Championship.

To date they have only lost two games at home, and finished second in the Vintage Wine Valley Invitational Tournament in Napa, losing in the final game to Redwood High which is number one at this time in the Marin County Athletic League. The Gauchos also finished second in the Rose City Tournament, which is one of the best tournaments in Northern California. They lost only to Montgomery High by two points which at this time is the number one team in the North Bay League and expected to win their league for the third straight year.

At this time the Gauchos have compiled 13 wins and 6 losses and is on the way to becoming the best Varsity Basketball record in the history of the school which is 17 wins and 8 losses.

There are four starters who are averaging in double figures. They are all seniors. Adam Zivot, Tom Parrish, Keith Carter and Jeff Pieper. After 17 games Casa Grande Varsity is the highest scoring basketball team in the Redwood Empire averaging 65.8 points per game.

With only 6 games remaining and the toughest part of the season over it is hoped that this particular group of young basketball players can win the coveted title of being the Sonoma County League Champions. Keep on winning!

The 1978-79 Casa Grande Junior Varsity Basketball Team was composed entirely of freshmen and sophomores. This was a result of the decision to eliminate the Freshmen Basketball Team as an economy measure following the passage of Proposition 13 last June. As a result, our Frosh-Soph team played other J.V. teams that were made up of sophomores and juniors. Despite the age difference, this team played impressively throughout the season and was able to compile the best overall J.V. win-loss record in our league and the 3rd best among the larger schools of Sonoma County.

The highlights of our season included winning 2 out of 3 games from both of our main rivals, the Petaluma Trojans and the Sonoma Dragons. We also won the Analy J.V. Tournament when we defeated the El Molino Lions in the Championship Game.

Our team was made up of 14 very competitive people who contributed a great deal of time and effort to making the Casa Grande J.V. Team a winning team and one that the school can be proud of.

Coach Sue Keller

This year's varsity basketball team found Casa Grande with only two varsity players returning from last year. Therefore, this has been a building year for Casa Grande and a very good one at that. We finished the season with an overall record of 12-9 and a league record of 7-2. The team finished in second place in the SCL which was most satisfying due to the inexperience of the squad and the high competitiveness of the league. Our two returning varsity players, Mary Layman and Karen Kristovich, were selected to the SCL All-League team with Sheri Bohling receiving an honorable mention to the team.

The highlights of this 1978-79 basketball season came in Drake Tournament, the SCL Tournament in El Molino, and the two games against cross-town rival Petaluma. At the Drake Tournament, Casa Grande finished in fourth place after beating Balboa High School of San Francisco. The teams which competed in this tournament were highly rated and the Casa Grande basketball team proved that they were not outclassed. The SCL Tournament found the team bringing home a trophy for third place. The Gauchos won the first game against Analy; lost the second to Montgomery; and came back the same day to beat Healdsburg. Karen Kristovich was fortunate to be selected to the All-Tournament team. The two games against Petaluma really showed the capability of this team to play under pressure. The first game was won by Casa Grande through the talent of the team to hit crucial free throws, turning Petaluma fouls into points. The second game was simply won by the desire of the team to pull the game out in the last few seconds by two points, 42-40.

It has been my pleasure to coach at Casa Grande this year and to observe the improvement of each individual player. The contribution each girl has made to the team has been most valuable in the success of our season. Our two captains, seniors Kim Burgess and Marie Vanciel, have provided the court leadership we've needed all year, and they will surely be missed next year. Their vacancies on the squad will try to be filled by a most promising group of players: Bev Cramer, Patti Barrett, Nikki Plencner, Sue Phillips—along with mainstays Sheri Bohling, Karen Kristovich, and Mary Layman.

The future of girls' basketball at Casa Grande looks very bright due to the dedication and desire that these players have brought to the game. Their enthusiasm to excel at the game of basketball has been extremely valuable in the coachability of the team.

My thanks to assistant coaches Margy Ayotte and Sid Shired for all their help this season. Also, thanks to our managers Sherrie Armstrong, Linda Gonsalves, and Bernadette DeVenuto for the terrific job they did.

I extend to our two graduating seniors, Kim Burgess and Marie Vanciel, the best of luck in their future plans. This has been a good season for the Casa Grande girls' basketball team. May the years ahead prove worthy of our expectations of this team.

Coach Ron Petroni

The 1979 Varsity Baseball team will play with enthusiasm and hustle. The 6 returning varsity players, 3 of which are pitchers, plus 5 players from the Junior Varsity should provide a good nucleus to this year's team.

I believe the Sonoma County League will be a tight race this season and with a few breaks Casa Grande could be one of the major teams to consider.

The opportunity to repeat as S.C.L. Champs is a challenge but with hard work and dedication we hope to make it a reality.

This year's Junior Varsity Baseball Team should prove to be very exciting. There are twelve returning players from last year's freshman team, plus eight new-comers to Casa Grande Baseball. With hustle and determination we feel that the JVs could have a very successful season.

Coach Steve Conner

The 1978-79 Wrestling team, comprised of a small group of hard working individuals, compiled a 3-5 record with wins against Santa Rosa, Sonoma and Piner. Our team lacked the manpower to be highly competitive but many wrestlers were able to accomplish great individual efforts. We had three wrestlers who had undefeated dual meet seasons on top of winning the Sonoma County League Championships in their weight divisions. There were 5 Varsity wrestlers who went to the North Coast Section Championships.

In the 95 lb. division, Ivan Worden was undefeated in the dual meets and won the SCL Championship. He also took a second in the Rancho Cotate Tournament and a first in the Analy Tournament.

Jeff Groen and Albert Williams took turns wrestling in the 103 lb weight class. Groen took second in the Analy Tournament and in the SCL Championships.

Alvin Otani was the second undefeated league champion. Wrestling in the 112 lb weight division, he placed third at the Analy Tournament and took first in the league championship meet.

Steve Donate wrestled above his weight in the 120 lb division. He took third in the league tournament and wrestled well all year.

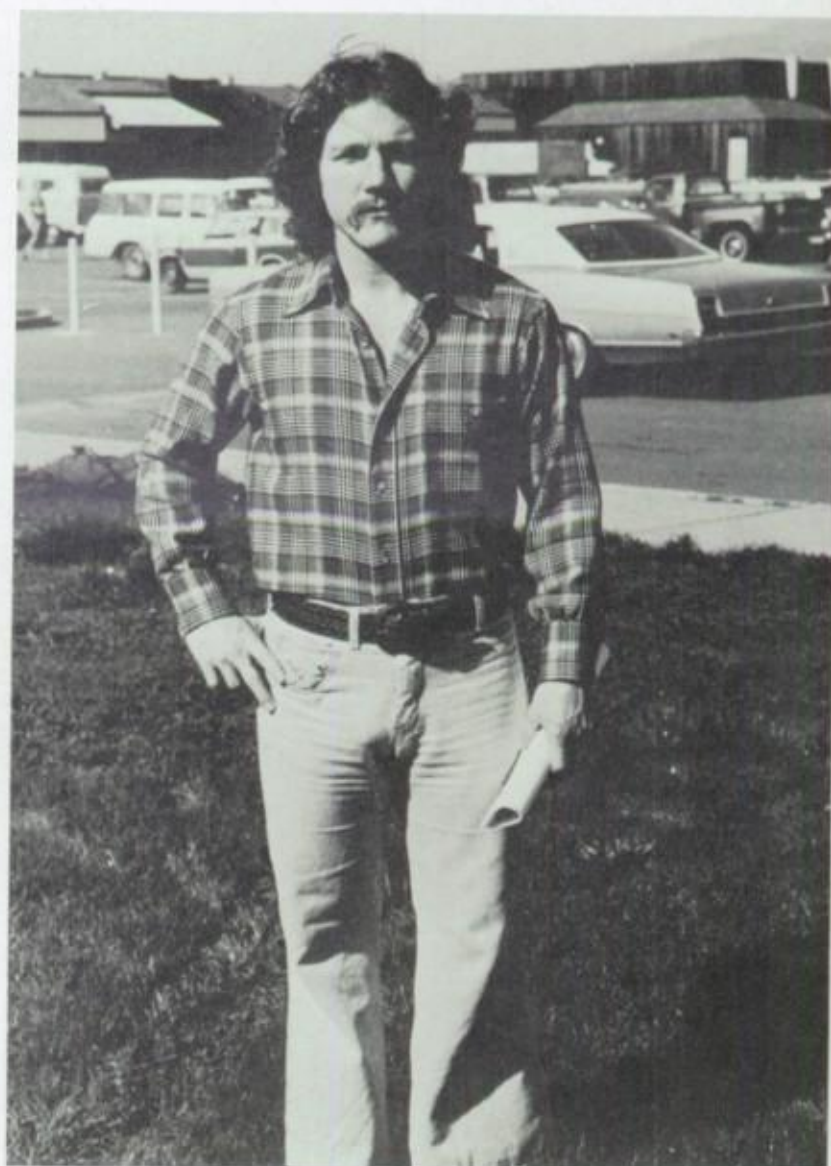

Charles Aikins, wrestling for his first year, filled the 127 lb class. Aikins shows alot of promise for his next two years at Casa.

Juan Colorado was the best first year wrestler on the team. In the 133 lb weight division, he took second in the SCL Championships.

In the 138 lb class, Bill Ference, a second year wrestler, showed great improvement over the season. He took fourth in the league tournament and shows much promise of doing well next year.

At 145 lbs, Bill Davis started out well this year and showed promise of a good season. A two week absence, due to illness, caused Davis to fall behind and he never fully regained his form.

John Rice, wrestling at 191 lbs, was the teams third undefeated league champion. He won the SCL Championship meet and took a first in the Analy Tournament where he was named Most Outstanding Heavyweight Wrestler.

Coach Dennis Casarotti

The Golf team at Casa Grande has won the championship the past two years in the Sonoma County League. We can attribute this success to very fine talent. The team has put a lot of effort and time into practice.

The team is led by junior Mike Piver who is probably the best golfer in the SCL. We are backed up by senior Andre Lavilla and sophomore Rod Wilson, who are also very fine golfers. This year's team has more young talent than any previous team and we expect to win another SCL Championship.

Coach Jan Smith

Although we have not yet had an opportunity to play in a game situation, I am looking forward to the upcoming season. With eight returning veterans, backed by a solid core of talented young rookies, I feel we have an excellent chance to defend our title of Sonoma County League Champions.

Our greatest handicap will be our youth. With only one returning senior, we are still in the process of developing the poise and confidence that comes from working together as a team to successfully execute basic skills. But, what we lack in experience we'll make up for in enthusiasm, desire, and determination.

Returning letterwomen on the squad include: All-League infielder and batting champ Noreen Johnson, who will be playing in her first season as a catcher; pitcher Mary Layman, whose consistency on the mound will be an important factor in the Gauchos defense; senior slugger Sherri Soldavini, who is returning after a year's absence and will take over duties at shortstop; sophomore speedster and prolific bunter Keli Cline, who'll switch from first to third base for the '79 season; utility infielder Bev Cramer, who is expected to contribute added firepower to our offensive attack; and, holding up the Gauchos' last line of defense, outfielders Sheri Bohling, Karen "Riflearn" Kristovich, and Trina "Dependable" Daugherty.

Rounding out the squad are second baseperson Cindy Church, first basepersons Karen Moretti and Jenny Brockman, infielder Jackie Cakebread and outfielders Cindy Hartman, Maria Lovo, and Theresa Rosarno.

"You sucker!"

"Did I catch it?"

"Try this one!"

Yes-it finally came to pass, Casa Granda has a Tennis team in 1979. Both a Boys and a Girls team will be competing in the Sonoma County League, playing a Fifteen match schedule.

Even though the team is very young and lacks a great deal of competitive experience, I am delighted with their enthusiasm, desire to learn and willingness to work hard to reach their potential.

Tennis is a great sport and Casa Grande Tennis will be a very positive experience.

Thanks to the Boosters Club of Casa Grande for their continual support of our extra curricular activities. Through the years they have held, Kick-off breakfasts, Christmas bazaars, and Spring Fashion shows along with many other fund raisers.

We greatly appreciate the Boosters efforts and concern for the welfare of Casa Grande.

Thank you

The Rally Committee is a new idea developed here at Casa Grande this year. The committee is composed of athletes representing all sports at Casa Grande. This group would meet three times a week, develop ideas to use in rallies, then put on the rallies. The rally committee, along with help from the cheerleaders, songleaders, band, flag team, drill team, and the student council provided Casa with some excellent spirit rallies.

FELLOWSHIP

The Casa Grande Campus Fellowship is Casa's newest club, becoming official in the 1977-1978 school year. We are a non-denominational group and meet once a week to share with each other "what's happening in our lives" in relation to current issues. Anyone is welcome to come join us in our brown-bag luncheon in A-5.

CHOIR

This is the seventh year for the Casa Grande Choir. Choir offers the student an opportunity to sing and perform a variety of music. The choir performed three concerts this fall. We participated in the opening ceremonies of the Petaluma Historical Museum. Our other two concerts were for the District Secretaries of Petaluma and our annual Christmas concert for parents and friends. In March of this year the choir put on its first variety show. The show helped to raise money in order to allow choir to go to Disneyland the following spring. In addition, the choir gave their annual formal spring concert and continued the tradition of performing at the graduation ceremony.

BIKE CLUB

The Casa Grande Bike Club is a close-knit group of students who enjoy bike riding. Most of our members are seniors, four year veterans of the club.

Advised by Mr. Hill, our excursions include day trips, overnights, and our annual week-long Easter trip. Some of our rides have been to Sugarloaf Ridge, Spring Lake, Angel Island, Jack London, Samuel P. Taylor and Golden Gate State Parks.

Our main event of the year is our Easter Vacation camping trip. In the past we have travelled to Yosemite and the Mendocino coast. To culminate our week-long activities we present our famous variety show to the other campers and rangers.

The Casa Grande Bike Club is an exceptional club, made possible only by our advisor, Mr. Hill.

BAY EXPO

The Bay Area Experience Program is an out of class enrichment program. This year we have gone to a few plays and lectures.

The Marcel Marceau performance was one of the highlights of this year's program. During our Wednesday morning meetings, we are doing a study of period music. Bach, Mozart, Gregorian chants and Renaissance music were some of the styles we listened too. In fact we got many a strange look when a person would hear Beethoven as he walked by the room. The addition of many new freshmen and sophomores this year has made this year in Bay Expo very interesting.

CHUCK ISOLA
KING OF HEARTS

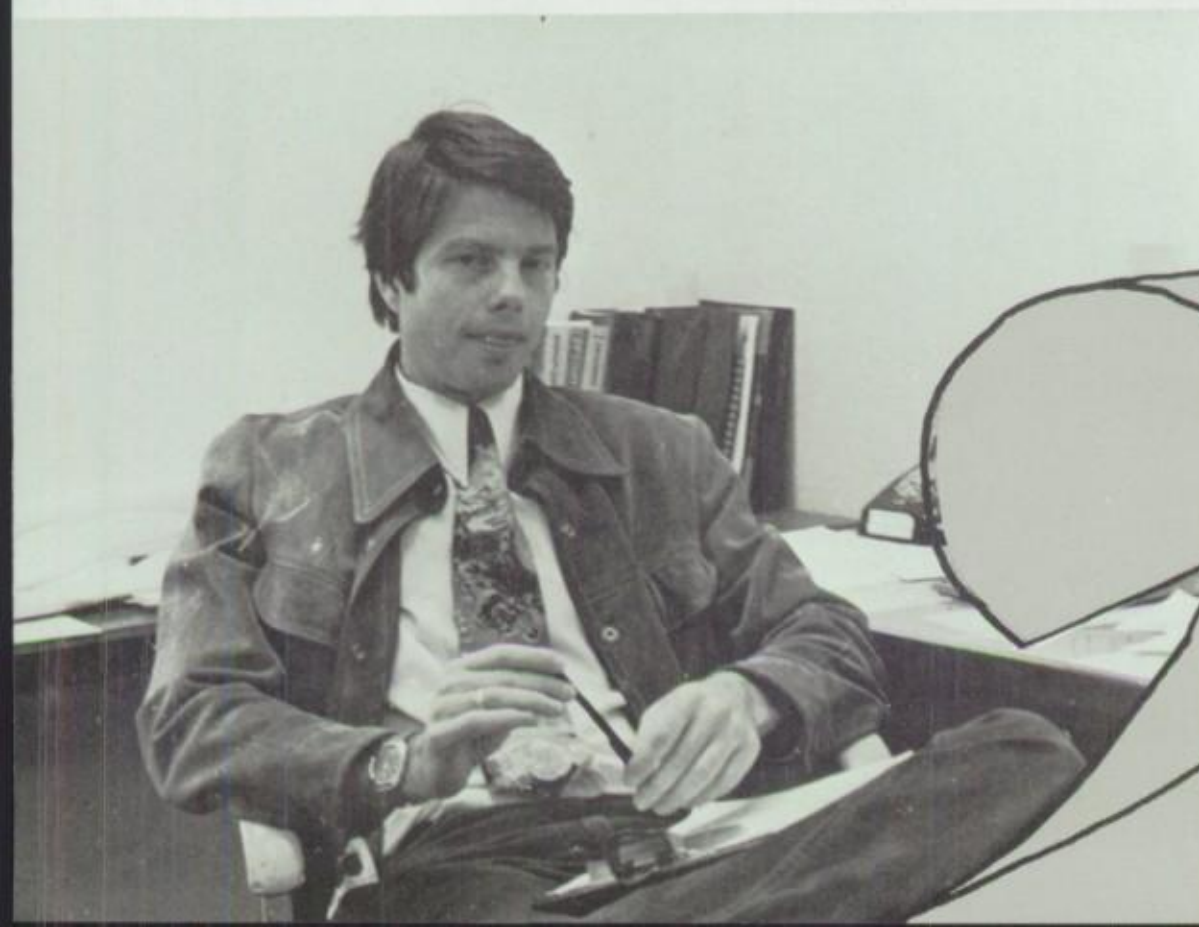

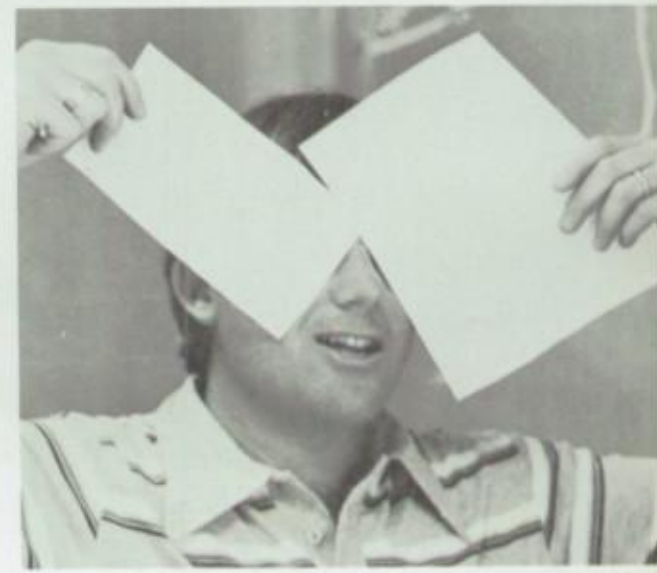

The moods and movements of life at Casa Grande need definition, someone to advise the students, their activities and their government. We hereby dedicate the 1978-79 Retrospect to the man who fulfills this need, MR. ROBERT LUSK. We compliment you for your continued dedication as teacher and director of activities. We acknowledge you for your spirit and sense of humor.

We appreciate your encouragement and guidance. You are a beacon in the storm-tossed life of a high school student, someone who is always available for advice or just conversation.

You have made your time our time, and for this we can only say, "Thank you, Mr. Lusk!"

faculty

Board of Education: Lesly H. Meyer; Elizabeth Marquardt; Hugh Goss; Kenneth Conley; Bob Stimson; Dr. Wesley W. Ebert

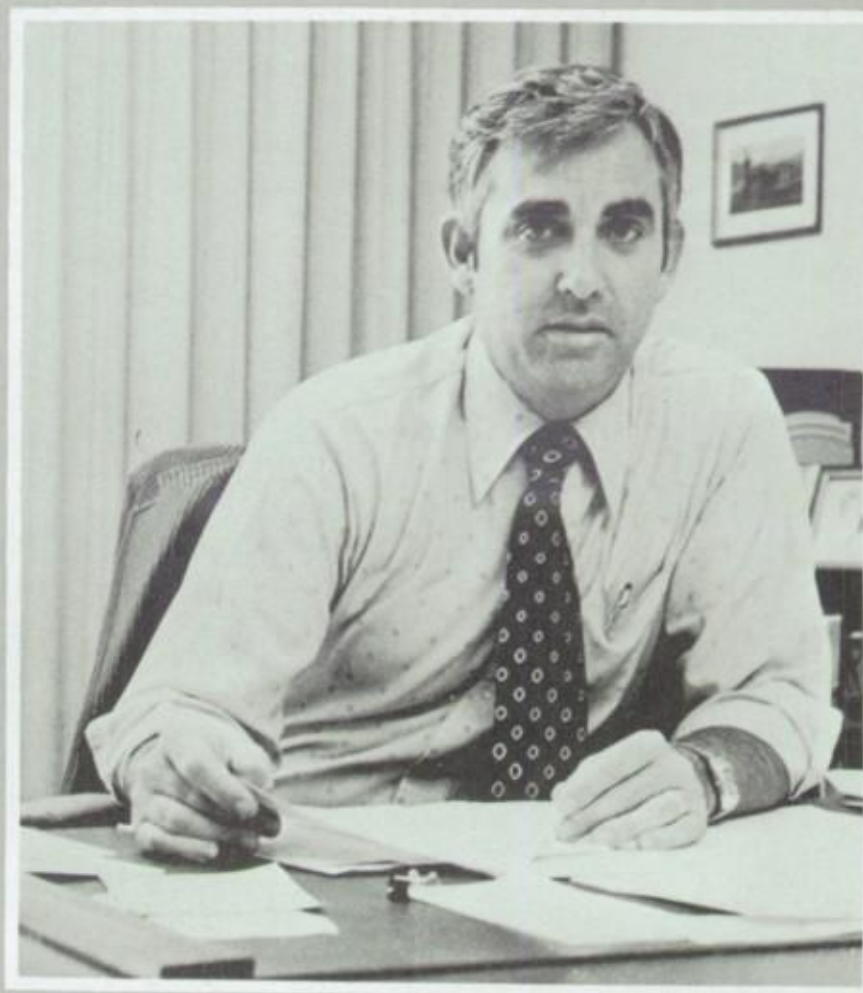

You graduates of 1978-1979 have been preceded by a number of graduating classes. I feel sure that you are prepared to take your places with the many others who have graduated before you, and to stand with them in upholding the ideals that Casa Grande represents.

As you reflect on your past and look forward to your future, remember that youth is our most valuable resource. All we have inherited from past generations and all we have added to our legacy will inevitably be transmitted to you. You are this generation's benefactors and tomorrow's leaders. Our country's natural resources, material wealth, accumulated knowledge, and social institutions will be vested with you. Your generation is our most valuable resource.

As you go forward, remember you made yourselves a part of Casa Grande's legacy. Casa Grande will not forget you; we shall look forward to your frequent return.

Principal-William T. Anderson

The past four years have been growing years for Casa Grande. New buildings, new courses, new activities have been added to the school. The class of 1979 has helped us mature into a school, which not only the students and faculty, but also the community can be proud of. The future is bright . . .

*Best wishes,
James J. Mc Gloin*

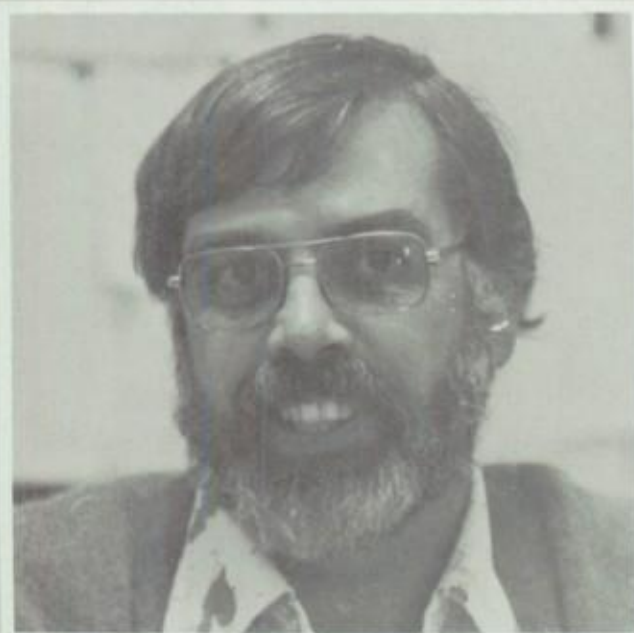

Vice-Principal, James J. Mc Gloin

After seven years Casa Grande is developing character. A more positive attitude is occurring and school spirit has increased. Through SIP (Site Improvement Plan) we are making plans for a better school. The next few years will be difficult with the emphasis on frugality established, but with dedicated students, parents, and teachers we can and will make Casa Grande proud.

Bruce D. Crouch

Dean of Students, Bruce D. Crouch

The pleasure of my job is being able to work with students in planning and carrying out student activities. This year I'm very proud of the way the students conducted both our Homecoming Celebration and the Nominating Convention.

The seniors are to be congratulated for making their year fun without causing any major problems. I, for one, really enjoyed wearing a toga to school during Spirit Week! My best wishes to the Senior Class, I hope you have the success you deserve.
